§9–715.

(a) The Commission may conduct an investigation in the manner that the Commission finds best to:

- (1) determine the substantial rights of each party; and
- (2) carry out justly the spirit of this title.

(b) Except as otherwise provided in this title, the Commission is not bound by:

- (1) any common law or statutory rule of evidence; or
- (2) any formal or technical rule of procedure.
